**OMB Control Number**

**Title of Collection:**

STATE CHARTER SCHOOL FACILITIES INCENTIVE GRANTS PROGRAM

**Current Expiration Date**

10 / 2011  
month / year

**Requested Expiration Date  
to Discontinue Collection**

10 / 2011  
month / year

**Reason for Discontinuation:**

OMB Form 1855-0012 corresponds to the State Charter School Facilities Incentive Grants Program Application Package. The last competition and use of this form was in 2009. Grants funded by this program authority continue for up to five years. The President's FY 2012 budget and plan for the reauthorization of the Elementary and Secondary Education Act, as amended, do not include language to support the continuation of this program. At this time, OII leadership, in agreement with the Charter Schools Program staff, does not foresee conducting a competition to fund further grants in this program. Therefore, OII does not see a reason to extend the use of this form.
